

Cape Cod Community College

Twenty-Ninth Commencement

Thursday, June Sixth
at Seven O'clock
Nineteen Hundred Ninety-one

The community is our campus ... the citizenry is our student body

Cape Cod Community College, founded in 1961, is a publicly supported, post-secondary institution offering many different programs and services. While fostering excellence and opportunities to *all* citizens through high standards and an open-door admissions policy, the highly qualified faculty and staff provide a supportive, humanistic medium in which to learn.

Maintaining its commitment to excellence, the College carries out its duties as a leader by contributing richly to our region's intellectual, educational, cultural, environmental, and economic development.

The College aims to awaken individuals' abilities so that they may lead richer lives, do their best in their chosen career and be good citizens of their community and country. To those ends, within its charter, the College is open to individuals of all ages, as well as organizations, businesses, and public institutions. We serve:

- ♦ people who want two years of college, planning on transfer to four-year schools;
- ♦ people who want career opportunities leading to degrees or certificates and employment in a chosen field;
- ♦ people of all ages desiring enrichment of their personal, cultural, and recreational lives;
- ♦ people who want or need study abroad, for personal, educational, or business reasons, through the College Consortium of International Studies, of which the College is a member;
- ♦ companies, agencies and community groups needing help in offering their employees or members educational, personal enrichment, and community development services; and
- ♦ those who need improvement in basic skills and/or literacy to ensure their successful attainment of their educational and career goals.

The success of the College has always depended upon its reputation for excellence among its audience, the people of the area. Thus the College truly belongs to the people it serves and who support it, and it must respond to individual and community needs. For over a quarter of a century, the College has served as the foundation of post-secondary educational opportunity, career development, and cultural activity for the Cape and its residents. Thousands of Cape residents have either earned a degree, learned or updated job skills, or simply benefitted from the College's cultural offerings. In 1961, 166 students enrolled at Cape Cod Community College. Today, the College has a day enrollment of 2,000 students and a Continuing Education (evening) enrollment of over 4,000 students per semester.

The Academic Procession and Regalia

Traditional commencement academic procession and regalia date back to the Middle Ages. Voluminous gowns were worn to ward off the damp and cold of medieval buildings; mortar boards were used as hats. When those styles were abandoned by laymen, clergy and scholars continued to wear the robes, with variations in style and color identifying different monastic orders. The bachelor, master, and doctor gowns differ stylistically in cut and decorative motif.

Today the hood is especially important in identifying the academic achievements of its wearer. Originally, the hoods were worn over the head. A long tassel is attached to the middle point of the top of the cap to drape over the edge of the mortar board. Tassels may be black, gold, or a color appropriate to the academic field of the wearer. The colors of the hood lining indicate the institution granting the degree. The width of the velvet trim indicates the highest degree held; the color of the trim indicates the field of study.

An intercollegiate code representing different departments of learning has set the standards for academic dress in the United States. The colors are assigned as follows:

Agriculture	Maize	Medicine	Green
Arts, Letters, Humanities	White	Music	Pink
Business Administration	Drab	Nursing	Apricot
Dentistry	Lilac	Oratory	Silver Gray
Economics	Copper	Pharmacy	Olive Green
Education	Light Blue	Philosophy	Dark Blue
Engineering	Orange	Physical Education	Sage Green
Fine Arts	Brown	Public Administration	Peacock Blue
Forestry	Russet	Public Health	Salmon Pink
Home Economics	Maroon	Science	Gold-Yellow
Journalism	Crimson	Social Science	Citron
Law	Purple	Theology or Divinity	Scarlet
Library Science	Lemon	Veterinary Science	Gray

The office of mace bearer is purely ceremonial. It derives from medieval times in England when an official was taking office or opening his court and needed a bodyguard. Then the mace, a formidable weapon, was held ready to protect the person of the dignity.

From the sixteenth century in England and since colonial days in America, it has become a symbol of office only, and is carried by a distinguished member of the faculty. The mace bearer, who immediately precedes the president both entering and leaving the ceremony, while often not included in today's exercises, remains popular on the older campuses in the East.

At Cape Cod Community College, the academic regalia of the Board of Trustees correspond to doctoral caps and gowns with gold tassels; the colorful hoods lined with red display the College colors of silver and blue. Faculty robes signify the wearer's respective university and discipline. The mace, a gift of the Class of 1984, is borne by the Grand Marshal who leads the academic procession.

Human history becomes more and more a race between
education and catastrophe.

H. G. Wells
